

**WAIVER OF PLIFOR DENTAL ASSISTANTS  
WORKING EXCLUSIVELY IN CANADIAN ARMED FORCES SETTINGS  
WHOSE PLI IS COVERED BY THE FEDERAL GOVERNMENT OR CALIAN**

This acknowledges my understanding that dental assistants practising n Nova Scotia must carry professional liability insurance (PLI) as outlined [on this page](#).

This further acknowledges my understanding that the waiving of this requirement by the Registrar applies only to the practice of dental assisting within the Canadian Armed Forces, as coverage is provided by the federal government or Calian.

Before practising dental assisting in Nova Scotia outside a CAF setting, I will satisfy the Registrar that I carry PLI according to the Regulator’s requirements.
